25X12。

Just prior to his departure from Vienna, Rossak was summoned to an interview with Vasili Ivanovich Cherneivetnko, USIA personnel director and suspected LVD official. Cherneiveinko instructed Rossak to investigate the present status of the Mitterberg glass factory, which allegedly is nearing completion and is expected to start manufacturing sheet glass in the near future.\* Cherneiveinko also asked Rossak to meet several Communists in Kaprum and to instruct them on ways to advance their demands for higher wages.\*\*

Comment: Rossak probably made this trip in a dual capacity as
